Profile of Nicola Kerr

Hello everyone, my name is Nicola Kerr I am Vice President of TCTC. I have two dogs named Ivy and Indi. My dog sports journey began 4 years ago when I got my first dog Ivy. She was a birthday present for my husband Scott. She is an Australian kelpie, she came from a farm near Ranfurly where her litter was raised with a piglet haha. We did a puppy class where we were introduced to the concept of dog sports, following this after completing a canine companion course I decided lets do this! We went to an 'introduction to dog' sports evening at TCTC, and joined up. I started training in competitive obedience before I was introduced to agility. Since starting agility in 2015, Ivy and I have had a exciting journey after a rocky start with a run away dog, we have worked really hard together to get to where we are now. This would have not been possible without the encouragement and support of the lovely people and trainers of TCTC.

Our most recent addition to the family is Ticotonic Go Go Indigo (Indi) a 9 month old Border Collie, we are currently doing obedience training and I look forward to training her in agility in the near future!

Happy training everyone :)
